PRICE FIVE CENTS.

Kansas City's People

Have set their Seal of Approval on the marvelous mark-downs on the Reckless Reductions made on the Superb Stock of the Lloyd-Latz-Thompson Dry Goods Company now being closed out at

At 1002-1004 Main Street!

Have stamped their approval on this sale in no uncertain way by buying most liberally. .

KANSAS CITY'S PEOPLE INDORSE

Liberal methods of conducting a bankrupt sale RICHT ROYALLY by attending the sale in overwhelming numbers. 'TIS A CASE of a liberal merchant meeting liberal buyers, and, having been trained and nurtured in that most liberal of modern cities, Chicago,

Lloyd Will Not Be Outdone in Liberality by the Buyers,

But will offer such further bargains from time to time that WILL KEEP KANSAS CITY ON THE TIPTOE of wonderment and excitement until the last vestige of THIS MAMMOTH STOCK BE GONE. Lloyd's a veteran in selling bankrupt stocks, this being his two hundred and fifteenth sale. He will take you into his confidence and declare that the ONLY WAY to MAKE MONEY out of BANKRUPT STOCKS is to SELL them DIRT CHEAP.

This to some way seem queen at first blush, but still 'tis a fact. If stingy in marking down this if small is schooling to This, to some, may seem queer at first blush, but still 'tis a fact. If stingy in marking down this, if small in reducing the price of the other, the people soon find it out—then the sale drags and gets slow, and Mr. Penny Wise, who preserves this fool policy, finds out in the end that HIS EXPENSE OF SELLING HAS EATEN UP HIS BIG PROFITS, while Mr. Liberal Spirit finds his pockets full of nimble sixpences and the good will of his customers to boot at the end of his sale. Let Liberal Spirits Meet To-Morrow at This Big Bankrupt Sale.

Here are some of Lloyd's Liberal Prices:
